January /February 2006

## 2006 FEE SCHEDULE

LANsultants is adjusting our billing rates for 2006 to more accurately reflect the cost and value of services provided. We are **decreasing** our Technician rate and modestly increasing our Network Consultant rate.

Senior Network Consultants will be billed at the same rate as in 2005 of \$155/hour. Senior Network Consultants include John, George, Jim, Cliff, Fritz and David who was promoted on January 1<sup>st</sup>. Way to go David!

Network Consultants will be billed at the rate of \$135/hour. This includes Joe, Saju, Jason, Francis, Ruth, John Crowe, Tom, Ron and Larry, who has been promoted from Technician. Congratulations Larry!

Technicians will be billed at the new **lower** rate of \$95/hour. Our Technicians include Adam, Tim, Barret, and our newest employee Travis. Welcome aboard Travis.

Advance notice will be given if unforeseen events require a mid-year rate adjustment.

In 2006, LANsultants plans on providing our clients with the option of placing all laser printers on service contracts. Though not necessarily less expensive than time and materials billing, a service contract does have the advantage of controlling the timing of charges and providing fixed costs.

In 2006, we also plan on continuing implementation of our Digital WatchTower monitoring service.

## DATA ARCHIVE

Have you made & stored offsite your 2005 data archive?
